- Service providers

11.4 Security measures implemented to protect personal information

We have identified our security risks over the personal information we process in line with the Protection of Personal Information Act, and we have implemented various security measures to ensure reasonable protection against the risk of loss, misuse, unauthorised access and disclosure, alteration and destruction of the personal information.

We also take steps to ensure that operators that process personal information on behalf of company name apply adequate safeguards as outlined above.

11.5 Trans-border flows of personal information

We may transfer to, and store personal information we collect about you, in countries other than South Africa, if the relevant business transactions or situation requires trans-border processing. These countries may not have the same data protection laws as South Africa, and in this instance, we will only transfer the information if we have consent from you, or it is necessary for the performance or conclusion of a contract between us.

11.6 Personal information received from third parties

When we receive personal information from a third party on behalf of a data subject, we require confirmation that they have written consent from the data subject that they are aware of the contents of this PAIA manual and the Privacy Policy, and do not have any objection to our processing their information in accordance with this policy.

Where information on third parties is provided by a data subject, or a third party provides information on a data subject, that information may be taken into account with other personal information.

11.7 Data Breaches

Where there are reasonable grounds to believe that the personal information of a data subject has been accessed or acquired by any unauthorised person, ADVOCA AUDITING INC shall notify:

- a) the Regulator; and
- b) the data subject, unless the identity of such data subject cannot be established.

The notification will be made as soon as reasonably possible after the discovery of the compromise, taking into account the legitimate needs of law enforcement or any measures reasonably necessary to determine the scope of the compromise and to restore the integrity of the responsible party's information system.
