MEET AND GREET

At ADVOCA we believe in a dynamic approach to accounting, therefore we use the latest technology and cloud based software packages, placing us at the forefront of change in the accounting industry, bringing our clients tailored and effective solutions to their unique challenges in an ever-changing world.

Auditing is more than a report on past events, it's a magnifying glass, highlighting growth opportunities and the stumbling blocks keeping you from achieving your goals. We focus on understanding your entities' unique risks and developing audit procedures and strategies to mitigate them.

We draw on the strength of our combined expertise to add value to your business. We can also utilise our network and connect you to seasoned professionals who can help you overcome the stumbling blocks that is keeping you from growing your business.

In short, we want to add value and subtract complexity.

SERVICES WHAT WE HAVE TO OFFER

WE USE THE LATEST TECHNOLOGY AND CLOUD BASED SOFTWARE PACKAGES, PLACING US AT THE FOREFRONT OF CHANGE IN THE ACCOUNTING INDUSTRY.

ACCOUNTING

At ADVOCA we believe in a dynamic approach to accounting, therefore we use the latest technology and cloud based software packages, placing us at the forefront of change in the accounting industry, bringing our clients tailored and effective solutions to their unique challenges in an ever-changing world.

TAXATION

Managing your tax affairs has become increasingly challenging. To ensure you are complying to the ever-changing tax legislation, you need the correct guidance. We seek to address your unique needs by continually striving for cost-effective, value-added solutions to your tax needs. We advise as to the best tax position in favour of the client, provided that it complies with legal requirements.

COMMERCIAL ADVISORY

We can draw on the strength of our combined expertise to add value to your business. We can also utilise our network and connect you to seasoned professionals who can help you overcome the stumbling blocks that is keeping you from growing your business.

ASSURANCE: AUDITING AND INDEPENDENT REVIEWS

We believe that auditing is more than a report on past events, it's a magnifying glass, highlighting growth opportunities and the stumbling blocks keeping you from achieving your goals, therefore we focus on understanding your entities' unique risks and developing audit procedures and strategies to mitigate them.

CORPORATE SECRETARIAL SERVICES

The experts in our company secretarial department help our clients lessen their corporate administrative burden. Whether it is the maintenance of statutory registers, submitting annual returns, registering new companies or assistance with drafting resolutions, our team helps you focus on what you do best, while we handle the administration.

ESTATE PLANNING

Estate planning does not stop at merely writing a will; there are various factors that you should consider when planning your estate. Proper succession planning and taxation consequences thereof, is of utmost importance.

Our team of skilled professionals can assist you in preparing such a plan and reviewing it on a periodic basis, adapting to your changing requirements. We are also accredited to administer deceased estates, ensuring the execution of your estate as planned.

OUR CUSTOMISABLE PERSONAL AND BUSINESS SOLUTIONS ARE MADE SO THAT YOU CAN FOCUS MORE ON THE PARTS OF YOUR BUSINESS THAT YOU ARE PASSIONATE ABOUT.

WHY WE USE XERO ACCOUNTING SOFTWARE

Times changed and so did we, therefore, we use the latest technology and cloud based software packages, placing us at the forefront of change in the accounting industry.

Accounting software with all the time-saving tools you need to grow your small business. Xero is secure and reliable and our experts are here to support you 24/7.

ADVOCA is a proud Xero Gold Champion partner.

COLLABORATE WITH YOUR ACCOUNTANT, BOOKKEEPER AND TEAM

Invite your advisor to collaborate with you on your business in real-time and give your staff access to the areas they need to do their job.

GET PAID FASTER

Xero cloud accounting allows you to send online invoices to your customers and get updated when they're opened.

RECONCILE IN SECONDS

Xero imports and categorises your latest bank transactions allowing you to make the best use of your time. Just click OK to reconcile.

UNDERSTAND YOUR REAL-TIME CASH POSITION

Know how you're doing financially with daily updates from your bank accounts and credit cards.

RUN YOUR BUSINESS ON THE GO

Use the mobile app to reconcile, send invoices, create expense claims and view reports - from anywhere.

PROTECT YOUR BUSINESS DATA

Xero backs up your data and protects it with multiple layers of security including industry-standard data encryption and secure data centres. They also offer two-step authentication as an additional layer of protection for your Xero account.
